

The logo for SNAPTRAC OVERHEAD LIFT KIT features the brand name in a bold, orange, sans-serif font with a black outline. The word 'SNAP' is smaller than 'TRAC'. Below it, 'OVERHEAD LIFT KIT' is written in a smaller, black, sans-serif font. The entire logo is set against a white background with a blue swoosh on the right side.

SNAPTRAC[®]

WORD ON THE TRAC IS...

Summit Marine

...smooth operation, it's the easiest we've found.
...and would not hesitate recommending it to anyone looking for a quality, well priced, smooth operating lift kit.

Thank you

Home Owner
Interior & Exterior

Powder Paint, Inc.

...the best thing about the SnapTrac may not only be the ease that it goes together but, how effortlessly it works. We are very pleased.

Thanks for your help

COMPOSITE TECHNOLOGY

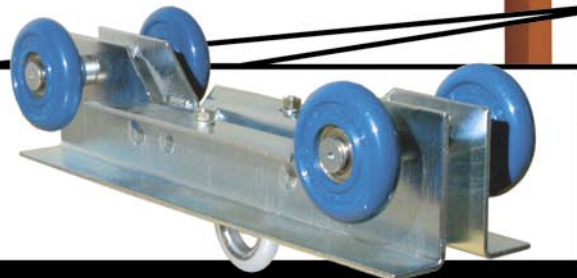

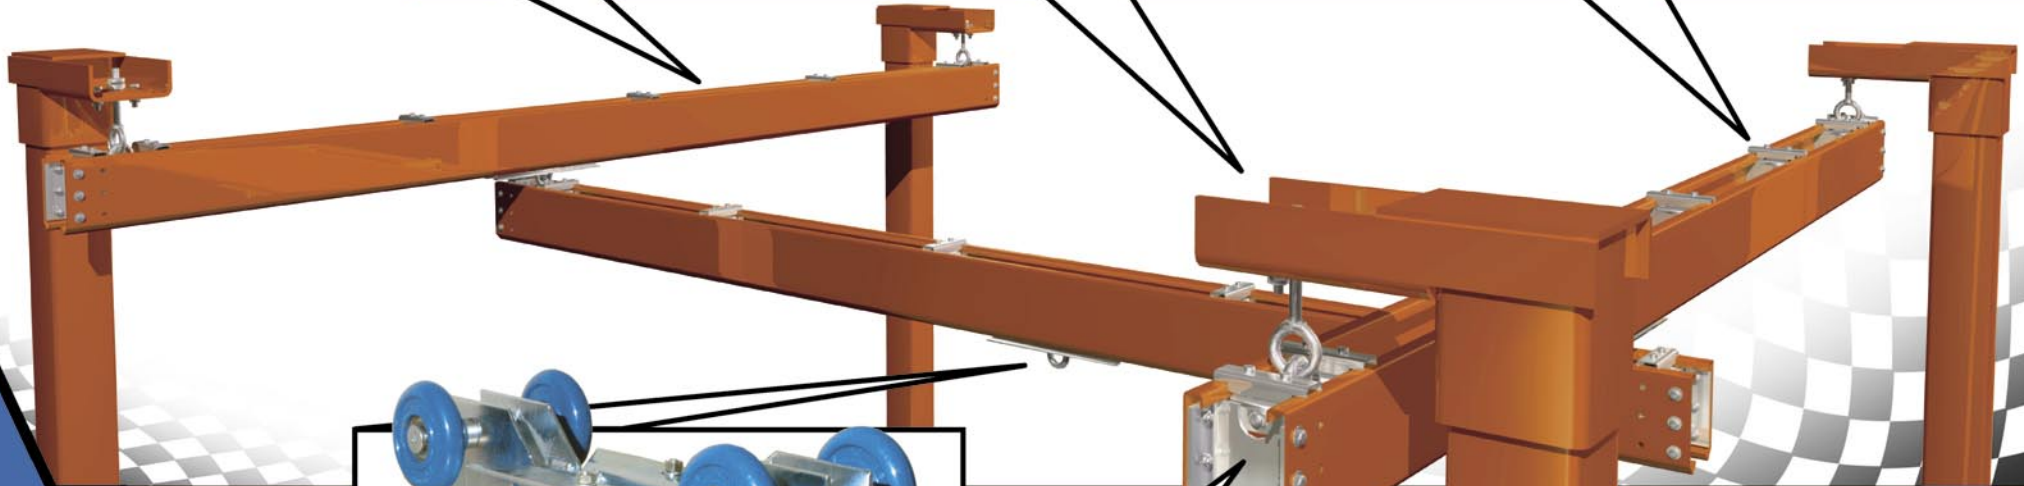

Hydra-formed rails provide a smooth, consistent rolling trac

TRAC HANGING POINTS

Trac can be Ceiling or Post Hung
Adjusting eye bolts level the trac

PANEL LOCKING DESIGN

The **patented** spacer assembly clamps the rails securely, requiring no holes

SnapTrac Easy Glide Trolley

POWER-UP

SnapTrac trolleys are engineered for a lifetime of use. Custom injection molded wheels with steel shielded bearings that will keep you moving. Power-Up with SnapTrac's internal conductor bar system that powers your lift, cord free.

End caps feature high impact solid rubber stops. Extend your trac with bolt-on joint plates to reach 24' 36' 48' and more of continuous trac.

Modular End

Kit Sizes:

12' Monorail w/Suspension Plates
12' X 12' System w/Suspension Plates

Posts, Column Hangers, & Electrical Components sold separately
Directions included - some assembly required
